PRINCIPAL'S MESSAGE

As term one draws to a close, I have been reflecting on how fortunate I am to lead such a magnificent learning community of engaged, curious students and dedicated and skilled staff. Supporting us all the way, of course, are our families. Thank you for partnering with us to ensure our students are getting the best education they deserve. Our collaboration with you is highly valued and strengthens every child's chance of experiencing success at school. As student portfolios come home on Friday, I encourage you to take some time with your child to continue this reflection on progress made towards learning goals during term one. These rich conversations between you and your child will encourage them to continue to strive to reach their learning goals and to move on to new ones in term two.

The proposed opening of online enrolments for Preschool and year 7 for 2020 is Monday 29 April at 9:00am. The process to apply for enrolment is to complete the online enrolment application located on our Directorate's website. Once you submit your application, a copy will be automatically emailed to your nominated email address (that you include on the form) and to the school. In 2020, we are offering two preschool sessions with a maximum of 22 students in each session. We are inviting any prospective Preschool students and their families to join us on Thursday 2nd May for a 'Come and Play' open morning. It commences in our Preschool Unit at 9:30am.

For families wanting more information about year 7, each high school holds an information night throughout May which you are welcome to attend to develop further insights into the approach to learning in place. Our in area high school open night is:

P&C NEWS

Thank you to everyone who made the time to come to our first general meeting of the year! It was lovely to see some new faces and welcome back familiar ones as we begin planning for another fabulous year supporting the Giralang Primary community. **Thank You!**

We have a truly fabulous group of volunteers who help behind the scenes to keep things running smoothly. While there are too many to list at one time, we'd love to introduce you to a few of the fantastic people and how they contribute to our wonderful school community.

Breakfast Club – Early every Tuesday, the ever-energetic **Carly Fiumara** provides our students with the opportunity to kick off the day with a delicious and nutritious breakfast, giving curious minds the best opportunity to grow and learn!

Lost Property – what a mammoth job! The incredible **Giselle Cruzado** wrangles all of those items who have managed to lose their owners and sorts out the mountain at the end of each semester.

Uniform Shop Manager – **Laura Anderson** has done an amazing job of ensuring our uniform shop runs smoothly and that all our students look fabulous! Throughout this year she is hoping to find another wonderful volunteer to train in ordering, pricing, rostering and training volunteers as she finishes up.

Uniform Shop Assistants – The friendly faces who help us ensure our little people are dressed and ready to go. At the moment **Jill Masters** and **Laura Anderson** are looking after this but they'd love some new assistants. If you could help out on a Friday morning once a month or fortnight from 8:30-9:15am, please let us know.

Without our beautiful volunteers who so generously offer their time, we wouldn't be able to do so many of the little things that go into making Giralang Primary the kind and welcoming school community that we all love and appreciate. There is always something to be done, so if you would like to volunteer a little (or a lot!) of your time we would love for you to get in touch.

CANTEEN NEWS

As term one draws near, everyone will be excited to see who wins the Easter raffle this Friday 12 April!

For those who love choccy, first and second prize are two huge chocolate baskets which are tantalisingly on display at the Front Office. For those who don't go choccy-crazy, this year's third prize is a \$30 gift voucher for a box of fresh produce which has kindly been donated by Dilliro Vegetables.

Due to freshness, we are unable to provide the produce box this Friday, so the winner will have to make a trip to the Epic Farmers Markets to claim their prize - a great way to stock up for the Easter break and to support local growers in our region. Dilliro Vegetables is a family-run business who grows all of their produce organically. Dilliro can be found at the Epic Farmers Market every Saturday from 7am - 11am so if you find yourself there, please pop in and support them (the info tent at main entrance can tell you exactly where to you go) or alternatively, you can jump on line and order wonderful veggie boxes which can be delivered straight to your door: dillirovegetables.com.au

A HUGE THANK YOU to Erhan from Dilliro Vegetables for contributing to our Easter raffle and of course, a HUGE THANK YOU to all the families who have entered the Easter raffle which is supporting our little canteen.

Good luck!

NEWS FROM PRESCHOOL

Wow! Can you believe we are already in week 10 of Term 1? The Pre-schoolers have had a wonderful start to the semester.

Our focus this semester is on 'who we are' as individuals and as a part of a community. We focused on how to build relationships and friendships and what makes us who we are. A discussion was started about our family and what makes our families different and the same as others. The children were really engaged and started to talk about their families. We identified who has siblings.

Our yarning circles discuss the importance of Acknowledgement to Country. We identified that this is an opportunity to acknowledge and pay respect to the Traditional Owners and ongoing custodians of the land, the Aboriginal and Torres Strait Islander people.

We are enjoying the weekly Japanese lessons with Rowelanne. We have been learning about the Japanese culture and language through stories, songs, rhymes and games.

We have enjoyed getting to know our buddy class and building relationships with the broader school community.

Gross motor and Library are a highlight for all preschool children.

We look forward to sharing our ongoing learning journey with you next term. Have a safe and enjoyable holiday, we look forward to Term 2 and the many learning opportunities coming our way.

Warm regards,
Heather, Danielle, Megan and Mel

PRIVATE MUSIC LESSONS

KELLY STURGISS – PIANO, SINGING, FLUTE AND TRUMPET TEACHER

Kelly Sturgiss has been teaching music privately for the past ten years. She has a diploma in music and has studied classical piano, flute and a variety of instruments since the age of five. She also holds a Bachelor of Fine Art, in which she has included music and sound into her work. Kelly's strengths lie in teaching students to read and understand music from a beginner level. Her method of teaching includes different ways of understanding, and blending techniques to best suit the student. She also includes an improvisation session in every lesson, to have the student *feel* the music and exercise their knowledge and natural expression. She adores the beauty and structure of classical pieces, but her repertoire extends to contemporary and composition. Kelly strives to be a dynamic and inspiring teacher.

JAMES STEINBECK – GUITAR AND ELECTRIC BASS GUITAR

James began his musical journey by playing guitar in bands in high school and has continued to be a performer in bands ever since, he subsequently has completed an Advanced Diploma in Music Performance. James currently plays in several bands in Canberra, his style ranges from contemporary, rock and jazz. James teaches the following instruments from beginner to intermediate level - acoustic guitar, electric guitar and bass guitar. James wants to share his love for the guitar and passion for performance with all his students!

\$35 per 1/2 hour lesson.

Lessons can be held at the school during school hours, or at Canberra Music Education School in Lyneham. Lessons are also offered on Saturdays.
