P&C virtual online meeting

**PRINCIPAL'S MESSAGE**

Welcome to term two everyone! Remote learning is in full swing whether students remain in their home or are attending a Safe and Secure Learning Hub. I am so proud of all our Giralang stars, big or small. I extend a huge thank you to parents and carers for your support of your child whilst they engage in Google Meets and remote learning online or offline. Again, I would really like to stress that you need to make remote learning work for you and your family. We are very happy to find ways that suit your own working from home arrangements while balancing supervision of learning.

While we remain remote learning, teachers will still be marking student attendance. Procedures for marking student attendance have changed slightly to reflect the complexities and variables in play whilst students are off site. In brief, we need one of the following to happen before 12pm each day to mark a student present:

- Participation in the morning Google Meet
- Active presence on Seesaw or Google Classroom
- An email or phone call from the parent/carer to say the student is engaging in learning but may not be online for Google Meet or submitting work before 12pm

Acknowledging country in our Google Meets – thanks 5/6!

We have some exciting news to share regarding the progress of the Giralang Garden Collective project. The ACT Education Directorate have agreed to fund the start up phase of the project. This includes a fence for the garden, guttering and downpipes for the multipurpose court, drainage and a tank. This is excellent news and we thank the Infrastructure and Capital Works Branch of the Education Directorate for their support. The P&C and School Board will now continue to work together to find ways of progressing the project further. Watch this space!

## MOMENTS IN TIME – JOURNAL WRITING PROJECT FOR STUDENTS & FAMILIES

The ACT Education Directorate are calling on the Canberra school community to participate in their journal writing project, Moments in Time. Through the project they hope to capture students' and families' experiences during this pivotal stage in history. Student voice is a key foundation of the Future of Education Strategy and Director-General, Katy Haire is encouraging you to record your observations, feelings and experiences through this collaborative project.

Each Thursday, a writing prompt will be available to respond to, and the first week's theme of "Change" is currently live on the Directorate's [website](#). Here you can read and listen to the featured journal entry from the Director-General herself as well as a local Canberra school teacher. **\*Spoiler alert\*** a Giralang Primary School teacher will be a featured teacher soon!

## PRIVATE MUSIC LESSONS – DIANE LONDON - PIANO

Diane London has played piano since childhood and instantly developed a love for music, it is this enjoyment and appreciation that she has been passing on to others as a piano teacher for over 15 years in Canberra. Diane's training has included university study (BMUS) at the Canberra School of Music (Australian National University) as well as a Bachelor of Actuarial Studies from the Australian National University. Diane teaches from ages 4 years and upwards and teaches many adult students at her Lyneham studio.

As part of her studies at the Canberra School of Music, Diane has been taught by some of Australia's most talented musicians, including Professor Larry Sitsky who is a prolific Australian composer, pianist, researcher and who is one of the founding members of the Canberra School of Music (ANU) and John Luxton (former head director of the Canberra School of Music (ANU)). Diane has also been taught by Wendy Lorenz, making her a 6th generation descendant student of Ludwig Van Beethoven, the lineage is - Diane London - Wendy Lorenz - Maria Curcio - Artur Schnabel - Theodor Leschetizky - Carl Czerny - Ludwig van Beethoven.

As a pianist, Diane has performed many times at the Canberra School of Music as well as performances across Canberra including the Australian Parliament House and Wesley Music Centre. Diane has also adjudicated piano competitions such as the Miles Franklin Music Festival Piano Competition.

One of Diane's key approaches to her teaching is recognising and responding to unique student needs. Instead of following just one inflexible teaching style, she prioritises developing goals with the student and then creates a plan for the student to achieve their goals.

Student goals can vary widely and can include just wanting to learn to play the piano for fun, preparing for AMEB piano practical exams, learning piano to 'keep the brain active', or even learning music theory, history and composition. Diane has helped hundreds of students successfully achieve their musical goals.

\$37 per 1/2 hour lesson.

Lessons can be held at the school during school hours, or at Canberra Music Education School in Lyneham. Lessons are also offered on Saturdays.

Please contact Diane on 0414 788 380 for more information.
